

JUST TAP & GO[®] FOR FAST, EASY AND SAFE PAYMENTS

MAKE EVERYDAY PURCHASES QUICKLY AND SAFELY
WITH MASTERCARD CONTACTLESS TRANSACTIONS

It's Fast

Within seconds, a light and a beep indicate an approved transaction. It's faster than paying with cash.

It's Easy

Simply tap your card or device on the reader to pay. No PIN or signature needed for small purchases.

It's Safe

Your card or device never leaves your hand.

Step 1:

Look for the contactless symbol on your card or check that your mobile device is NFC-capable.

Step 2:

Tell the cashier you'd like to pay with your contactless card or mobile device.

Step 3:

Just tap your card on the contactless symbol on the terminal to pay. To use your mobile device, tap your device on a contactless-enabled reader and (if necessary) enter your PIN or scan biometric. Now you've paid and you can continue your shopping!
