

To All Employees: Please Read

Diners Club transactions can now be processed as MasterCard transactions

Please swipe Diners Club® Cards as MasterCard® cards. It's easy—here's what you do:

Cards issued in the U.S. and Canada

The MasterCard Mark and Hologram on the Card front.
16-digit account number beginning with "5."

ACCEPTANCE

Accept and process this Card the same as any MasterCard credit card transaction.

Cards issued outside the U.S. and Canada

The MasterCard Mark on the back of the Card.
14-digit account number beginning with "36."

ACCEPTANCE

MasterCard merchants in the U.S. and Canada will accept and process these transactions like any other MasterCard credit card transaction once your POS terminal has been enabled.
