

## Technical Instructions for incorporating Coming Soon image in your web page

1. Open the attached object named 'sc\_coming\_soon.zip' .
2. Extract the zip file. Open the html file 'mc\_securecode\_comingsoon.html' in an editor. Eg. Notepad, wordpad
3. Extract the sc\_120x65\_comingsoon.gif from the sc\_comingsoon.zip file.
4. Place the sc\_120x65\_comingsoon.gif into the appropriate image directory for your web application. Eg. Webapp/images/sc\_120x65\_comingsoon.gif
5. Modify the **src** attribute to point to the path where you have placed the sc\_120x65\_comingsoon.gif. Eg. src='/images/sc\_120x65\_comingsoon.gif

sc\_comingsoon.zip

( 'sc\_comingsoon.zip' file contains sc\_120x65\_comingsoon.gif and mc\_securecode\_comingsoon.html )

```
<html>
  <head>
    <title>MasterCard SecureCode Coming Soon</title>
  </head>
  <body>
    <a href="javascript:void(0);"> </a>
  </body>
</html>
```
