LinkedIn Business Premium Membership Reimbursement by Grupo Mok

The cardholder must enroll on the [Mastercard](#) website with an eligible LAC SME Credit Card, in order to request the reimbursement of the amount effectively paid by the Client for one (1) subscription to the LinkedIn Premium Business (Individual) plan, provided that such payment was made using the Mastercard credit card associated with the benefits described in these Conditions.

The Client may access this Service up to the maximum number of Events indicated in the initial section of these Conditions, which varies depending on the type of card. For the purposes of this benefit, each Event corresponds to a reimbursement for an independent monthly payment, with each reimbursement being considered an individual Event.

The purpose of this benefit is to support the Client in strengthening their professional profile and expanding their

network of contacts through the use of advanced tools offered by LinkedIn Premium Business.

Conditions

- The Service applies exclusively to the subscription to the LinkedIn Premium Business Individual plan, contracted under the name of the holder of the credit card associated with these Conditions.
- Each reimbursement requested shall be considered as one (1) Event consumed. The Client may request the number of reimbursements corresponding to the number of Events indicated in the initial section of these Conditions.
- If the Client has paid for their LinkedIn Premium Business Individual subscription under an annual billing cycle, the reimbursement amount will be calculated by dividing the total amount effectively paid by twelve (12) months and multiplying the result by the total number of Events available at the time of redemption. Once such amount has been credited, it shall be understood that the Client has redeemed all Events applicable to this benefit, and the benefit shall be deemed fully exhausted. Consequently, no additional reimbursements related to that subscription will be granted during the remaining validity period of the annual plan.
- The subscription payment must have been made with the credit card associated with this benefit, and must be verified through a bank receipt or valid proof of payment identifying both the cardholder and the transaction.
- The Client must follow the reimbursement request procedure described in these Conditions, and the reimbursement will be made exclusively to a bank account owned by the Client, duly verified through the corresponding channel.
- The reimbursement amount will be processed in the official currency of the country where the card is registered. If this is not possible, it will be processed in United States dollars (USD) based on the representative market rate applicable on the date the payment is authorized.

Exclusions

This service shall not include, under any circumstances:

- × Reimbursements for plans other than the LinkedIn Premium Business Individual plan, or for any other corporate subscriptions.

- × Transfers to third parties, payments in kind, credits to credit cards, or partial refunds resulting from discounts applied by the platform.
