

Site Data Protection (SDP) Program

The Mastercard SDP Compliant Registered Service Provider List

A company's name appears on this SDP Compliant Registered Service Provider List if (i) Mastercard records reflect the company is registered as a Service Provider by one or more Mastercard Customers and (ii) Mastercard has received the Service Provider's Payment Card Industry Data Security Standard (PCI DSS) Report on Compliance (ROC) Attestation of Compliance (AOC) conducted by a PCI Security Standards Council (SSC) approved Qualified Security Assessor (QSA). This list is not exhaustive and represents registered Service Providers that have successfully completed SDP Program Level 1 Service Provider compliance requirements.

This SDP Compliant Registered Service Provider List is updated monthly and provided solely for the convenience of Mastercard Customers and any Customer that relies upon or otherwise uses this SDP Compliant Registered Service Provider list does so at the Customer's sole risk. While Mastercard endeavors to keep the list current as of the date set forth in the footer, Mastercard disclaims any and all warranties of any kind, including any warranty of accuracy or completeness or fitness for any particular purpose. Mastercard disclaims any and all liability of any nature relating to or arising in connection with the use of or reliance on the SDP Compliant Registered Service Provider List or any part thereof. Each Mastercard Customer is obligated to comply with Mastercard Rules and other Standards pertaining to use of a Service Provider.

As a reminder, Service Provider's PCI DSS AOC by a PCI SSC approved QSA provides a "snapshot" of security controls in place at a point in time. To remain listed on this SDP Compliant Registered Service Provider List, the registering Customer is required to submit the Service Provider's PCI DSS AOC to pcireports@mastercard.com on an annual basis, within one year from the date noted on the last AOC. Service Providers in respect of whom PCI DSS AOCs are within 1-90 days past due remain listed, and their last AOC dates are represented in yellow (1-60 days past due) or red (61-90 days past due), for ease of identification. After 90 days past due, the registered service provider's name is removed from the List.

-  Compliant Service Provider
-  1-60 Days Past AOC Due Date
-  61-90 Days Past AOC Due Date
