

Law & Franchise Integrity

Law & Franchise Integrity is aligned under a single framework to deliver against a common objective: to ensure the integrity of the franchise and MasterCard's overall payments system. Our collective mission is to protect the company, our brands... the franchise. The component divisions of L&FI—Franchise Development, Law and Payment System Integrity—go about executing on this objective in different ways including:

- Executing policy and educational initiatives that address legislative, regulatory and reputational risk
- Providing strategic legal support and compliance programs that balance risk with growth opportunities
- Defending against litigation and regulatory challenges; Strengthening merchant relationships through educational and other proactive efforts in the area of data security and on the public policy front
- Working with customers to help develop products that are globally interoperable, profitable and successful
- Ensuring that our customers' programs are synergistic with our brand
- Leveraging our data through fraud management solutions to provide customers ways to manage their fraud and risk
- Broadening the scope and innovation of risk products and programs
